

Benefit for Jeff Denison "Shadow"

Hosted by Sons of Texas Motorcycle Club

On Friday, October 21, 2011 we were at a Wind and Fire benefit by Hobby Airport. Our brother Jeff "Shadow" Denison was on his way home when a car pulled out in front of him and to avoid hitting the car, he laid his bike down. He has 3 broken ribs, both of his collarbone are broken, he fractured his cheekbone, and he has a head injury. The following Monday he had to have brain surgery to remove a blood clot in the skull and help relieve some of the brain swelling. He has had a few other complications and the medical expenses keep adding up. To help him with his medical expenses, Sons of Texas MC is hosting this benefit.
